

### HONORING JOCELYN DORSEY ON HER RETIREMENT

The SPEAKER pro tempore. The Chair recognizes the gentleman from Georgia (Mr. JOHNSON) for 5 minutes.

Mr. JOHNSON of Georgia. Mr. Speaker, I rise today to honor one of the great servants, a truly great servant in Atlanta broadcasting history. Her name is Jocelyn Dorsey. She has been working at WSB-TV in Atlanta for the last 40 years. She was the first regularly scheduled Black female anchor on Atlanta TV in the history of our great city. She is truly a pioneer. She was inducted into the Georgia Association of Broadcasters Hall of Fame among her many accolades and recognitions in the industry.

Throughout her more than 40-year award-winning career, Jocelyn Dorsey has collected more hardware in terms of awards than I could possibly take 5 minutes to recite. It certainly would take us all day to recite the many awards that she has received, but my point is that in every professional recognition category that she has been considered under, she has won awards, and her recognition is duly noted by the professionals and her peers throughout the country.

She has been giving back to her community in ways that have been unseen. While she started her career out in front of the camera, she is ending her career behind the cameras. She has been behind the cameras promoting community awareness, community service, making the station itself, WSB, which is the top-ranked station in the Atlanta market, truly representative of the community and truly responsive to the community.

There are just so many things that have transpired as a result of her behind-the-scenes work that have helped so many individual Atlantans and not just Atlantans, people who are served by the Atlanta television market. She has truly left a great impact. We hate to see her go. She has been a true warrior for good and for fairness and inclusion as well.

I will leave with the words of someone who has worked closely with Jocelyn for more than 40 years. His name is Mark Winne, who is an award-winning investigative reporter in his own right.

She has found her calling in life, the way to use the distinctive suite of gifts God has given her in a way that serves others, and at the same time she makes a living doing it. She lives and breathes the work, rolling up her sleeves, and sticking her arms all the way into the dirt to plant, harvest, and plant again year in, year out. She brings zest and joy to it. She digs new technology, and she uses it, but her keen people sense has enabled her to be such an effective steward of the considerable resources WSB-TV invests in the community. She is a personal heroine and role model, and I think she may have the best—and in some ways toughest—job in the Atlanta television market.

I will rest on those words of Mark Winne, and I will say to Jocelyn Dorsey: Work well done. I hope you enjoy

your tremendous retirement. You are still a young woman. You have a lot to offer, but you deserve to have some fun. So have fun.

By the way, she is an avid motorcyclist, and she rode—or, actually, piloted her motorcycle all the way from Anchorage, Alaska, to, I think, Tampa, Florida, in a ride to raise money for various charitable events and causes.

So you will have a lot more time to ride now. When the group tells you, Hey, we are getting ready to go to Nevada, you won't have the excuse of having to go to work anymore. You will be able to jump on the bike and ride. So ride peacefully, ride strong, and we will see you soon.

The SPEAKER pro tempore. Members are reminded to direct their remarks to the Chair and not to a perceived viewing audience.

### RECOGNIZING DICK RAMSAY

The SPEAKER pro tempore. The Chair recognizes the gentleman from Florida (Mr. CURBELO) for 5 minutes.

Mr. CURBELO of Florida. Mr. Speaker, I rise today to recognize the passing of one of Monroe County's most respected and decent public servants. Richard "Dick" Ramsay, a former Marathon mayor and city councilman, small-business owner and airline pilot, passed away on June 2 at the age of 74.

A true visionary who worked tirelessly to better his community, Mayor Ramsay played a pivotal role in the incorporation of Marathon, Florida. He possessed a genuine passion for the Florida Keys, a passion that was reflected in his dedication to public service.

Dick's contributions to Marathon are both significant and extensive. He served three 2-year terms on the city council and expressed great interest in issues concerning the Florida Keys Marathon International Airport. One of his many successful projects was the newly installed U.S. Customs and Border Protection facility, which now allows international flights to clear customs in Marathon for the first time in decades.

Beloved by his family, his friends, and his community, Dick Ramsay will be dearly missed by all. I am honored to have been able to call him my friend. My thoughts and prayers go out to the Ramsay family and to the Florida Keys for the loss of such an active and caring member of the community.

### RECOGNIZING ED KNIGHT

Mr. CURBELO of Florida. Mr. Speaker, I rise today to recognize Edward B. Knight of the Florida Keys. Ed, as he is known, is a true staple in our community. During his time in Key West, he and his wife opened one of the first U.S. Volkswagen dealerships, operated a successful real estate company, and served as an executive on several boards, including the Rotary Club of Key West and the Boy Scouts of America. Mr. Knight also created an annual Rotary scholarship program to help

students attend Florida Keys Community College.

Edward Knight is a leader, a businessman, and the definition of a philanthropist, so much so that Key West Mayor Craig Cates led a naming ceremony of the White Street Pier in Mr. Knight's honor on June 9.

I want to personally congratulate Ed Knight. Thank you for all you have done for the Florida Keys community throughout the years. Your service is deeply appreciated.

### ALZHEIMER'S AND BRAIN AWARENESS MONTH

Mr. CURBELO of Florida. Mr. Speaker, I rise to recognize June as Alzheimer's and Brain Awareness Month.

There are more than 5 million Americans in the United States who have been diagnosed with Alzheimer's. It is a devastating disease for patients and their families and is currently the sixth leading cause of death for individuals living in the United States.

This disease, unfortunately, cannot be prevented, cured, or slowed, but as lawmakers, we have the ability to support patients and their families. I have cosponsored the HOPE for Alzheimer's Act, which would amend Medicare to cover comprehensive Alzheimer's disease care-planning services.

I look forward to working with my colleagues on both sides of the aisle to help move toward finding a cure for this awful disease.

### BOY SCOUTS OF AMERICA

The SPEAKER pro tempore. The Chair recognizes the gentleman from Pennsylvania (Mr. FITZPATRICK) for 5 minutes.

Mr. FITZPATRICK. Mr. Speaker, today marks 100 years since the Boy Scouts of America received their Federal charter. This week also represents an important anniversary for my hometown council in Pennsylvania.

For three-quarters of a century, the Ockanickon Scout Reservation in Pipersville, Bucks County, has fulfilled the goals of its early founders and provided adventure and fun for scouts from States as far away as Arizona, Texas, and the U.S. Virgin Islands, and hosted many scouts from across the globe. While the site is busy year-round, more than 3,000 young people arrive each summer, with more than 3,800 expected this year alone.

Ockanickon Scout Reservation's objectives are simple: character, citizen training, and personal fitness. But there is also a rich scouting history of meeting the spiritual, developmental, and social needs of young people and instilling lifetime values that will help them reach their full potential.

As a former camper and counselor myself, I want to offer my congratulations to Camp Ockanickon, the Washington Crossing Council, and Ajapeu Lodge on this anniversary marking 75 years. I hope there are many, many more years ahead of providing an outstanding experience to tomorrow's leaders.
